

Walk-in Emergency Care Entrance Relocated Town Connector Road And Rotary Now Open

Patients accessing MCH's walk-in Emergency Care Services will now enter the facility through a new entrance. Please read below for more details.

Main Campus Rotary

Accessing our new Walk-in Emergency Care Entrance requires driving through our Main Campus Rotary onto our North Perimeter Road. (See #1 on map).

From North Perimeter Road, please follow road signs to our Walk-in Emergency Care Entrance, located immediately to the left of our Main Hospital Entrance (See #3 on map).

Old Street Road Traffic Change

All traffic driving on Old Street Road now passes through the newly opened town rotary. While construction on this rotary was underway, traffic could previously bypass the rotary. Now, as the work has been completed, the road has been rerouted through the rotary. Please drive carefully through this area.

Thanks for your patience!

Check our Web Site for Updates

Parking and driving patterns will change frequently in the coming weeks, please check MCH's web site at: www.monadnockhospital.org/expansion for the latest changes to parking and driving patterns.

Safe Driving Reminder:

Please remain alert and drive slowly and carefully on the hospital grounds.

Project Completion: Fall, 2010
