

Thank you all for your hard work today, we are grateful for your efforts and teamwork. Work continues across the organization to prepare for COVID-19, while safeguarding our employees and patients. Please read the updates below as they include important information about:

- 1. Employee Resources / HUB
- 2. News Boards

Employee Resources / HUB

- Later today, a resource page will go-live on our HUB with links to resources for employees. (Area restaurants offering take-out, EAP, child-care, etc).

News Boards

- In addition to the HUB and our daily updates, we'll be deploying "News Boards" on tripods to key areas: Employee Screener stations, Dash area, Med Surg & the Café. These will be a high-level snapshot of info for the day. They're intended to supplement our HUB and Daily reports. Please continue to see those for the most up-to-the-moment news.
