

Thank you all for your hard work today, we are grateful for your efforts and teamwork. Work continues across the organization to prepare for COVID-19, while safeguarding our employees and patients.

Please read the updates below as they include important information about:

- 1. Employee Testing of COVID-19**
- 2. Employee Entrance: Thank you**
- 3. Needed: Medline: Medium, Non-sterile, Oatmeal Colored Gloves**

**EMPLOYEE TESTING OF COVID-19**

- Employees who require testing for COVID-19 are requested to use MCH's curbside COVID testing services, versus 3<sup>rd</sup>-party testing options available elsewhere.
- Using our COVID testing services helps us track and communicate results as efficiently as possible, while minimizing any impact of possible positive results.

**EMPLOYEE ENTRANCE**

- Thank you to everyone who helped support today's Employee Entrance move.
- This stage of planning has been in development for several weeks and allows us to centralize several processes, improve social distancing and provide staff access to showering facilities.

**NEEDED: MEDLINE, MEDIUM, NON-STERILE, OATMEAL COLORED GLOVES**

- The Lab is in immediate need of Medline non-sterile medium sized oatmeal colored gloves.
- Please search your areas and send any available supplies to Materials Management, att: Carrie Martel. Partial, opened boxes are fine.
