financial help – for your health

Dear Applicant:

You may be able to get financial help from Monadnock Community Hospital and possibly other healthcare organizations. You will continue to be financially responsible for any services you receive until we know whether you qualify for help.

The NH Health Access Network is a group of hospitals, doctors and other health care providers in New Hampshire that work together to help children and adults when they cannot afford the health care they need.

The NH Health Access Network is for individuals who have insurance. To get financial help through the NH Health Access Network with out-of-pocket expenses your insurance must be active and accepted by and in-network with the provider. (Medicaid Spend Down Program is not insurance so those eligible for or enrolled in this program are not eligible for the NH Health Access Network) If you have no insurance, financial assistance *may* be available; for more information, please contact Financial Assistance at (603) 924-1717.

By signing below, I authorize the request for my credit report and/or tax return. I understand that a tax return is needed to process this application and that more information may be requested before my eligibility can be determined.

In the event that I have not fully disclosed, or have inaccurately represented, any income or assets, any agreement to provide you with a charitable care discount would be null and void and would be retroactive back to the date the bills were owed. I may be liable for any/all legal fees during the collection process.

All adult household members who sign below authorize the release of any medical, financial or employment information which relates directly to their health care or to their financial assistance eligibility. This information may be released to any health care providers from whom household members have sought health care services or financial assistance. All information provided will remain confidential under the provisions of HIPAA federal regulations. Elective procedures might not be considered for assistance.

I agree that I will repay the full financial assistance award if I receive payment of any kind for the medical services covered by this application, for example insurance payments, government program payments, award from a lawsuit or any other payment.

If I receive Financial Assistance, I agree to tell the organization where I first applied of any changes which could impact eligibility, including changes to family size, income and health insurance coverage. I understand that if my/our medical situation changes so that I/we might be eligible for a public assistance program, I will need to apply to that program and provide proof of application.
