

Our Community. Our Hospital. Our Future.

More than 100 years of caring, and a shared commitment to the generations ahead

For more than a century, Monadnock Community Hospital has been part of the fabric of the Monadnock Region, caring for neighbors, supporting families, and strengthening community health.

PAST

Founded Through Generosity

In 1923, Robert Parmelee donated his summer home in memory of his wife Alice, creating a lasting legacy of community care. Generations of patients, caregivers, volunteers, and donors helped build a hospital rooted in compassion and service.

PRESENT

Trusted Care Close to Home

89,498

Physician Practice Visits

72,114

Rehab Procedures

13,676

Emergency Dept Visits

260

Babies Born

Community Investment

\$27.2M in community benefit | \$24,000+ employee giving | Thousands of volunteer hours

FUTURE

Moving Care Forward Together

Exceptional clinicians | Modern facilities | Advanced technology | Community programs

FEATURED STORIES

Michael | Christine | Laura | Susan | Carol & Stephen

Each story reflects the lives touched by compassionate care and community generosity.

What began as one generous gift has grown into a lasting promise of care for our community.

Patients, families, employees, volunteers, donors, and community partners all play a role in ensuring that trusted healthcare remains close to home for generations to come.
