

# Moving Care Forward *Together*

## Dear Friends,

As I share my first Annual Report message as President and CEO of Monadnock Community Hospital, I am filled with energy and optimism. It is a privilege to step into this role at such an exciting time in our history and to build upon the strong foundation created by those who have led before me.

The theme of this year's report to our community, *Moving Care Forward Together*, reflects both who we are and where we are headed.

Over the past year, we have welcomed new members to our leadership team, recruited skilled clinicians, and strengthened key service lines to ensure patients can access the high-quality care they need, close to home. These investments are not just about growth; they are about meeting the evolving needs of the Monadnock Region with compassion, expertise, and innovation.

As your community hospital, our mission is deeply personal. We care for our neighbors, friends, and families. We celebrate with you in moments of joy and stand beside you in times of uncertainty. That responsibility drives us to continuously improve, expand access, and embrace new technologies and models of care that enhance the patient experience.

For more than a century, this community has supported Monadnock Community Hospital. That support and trust is our greatest honor and our greatest responsibility. On behalf of our dedicated clinicians, nurses, staff, volunteers, and Board of Trustees, I thank you for your continued generosity. Together, we will continue moving forward, strengthening health, advancing innovation, and ensuring exceptional care for generations to come. If I haven't had the pleasure of meeting you in person, I hope to do that in the months ahead.

Richard Scheinblum | President & CEO | Monadnock Community Hospital

### Mission

Monadnock Community Hospital is committed to improving the health and well-being of our community.

### Vision

We will elevate the health of our community by providing accessible, high-quality, and value-based care.

### Values

- Compassion
- Collaboration
- Honesty
- Respect

President & CEO Richard Scheinblum with Board Chair Paula Hunter (left) and Vice Chair Linda Roche (right)

## Healthcare doesn't stand still.

As a trusted community hospital serving the Monadnock Region, our responsibility is not only to meet today's needs, but to thoughtfully prepare for what comes next. That happens best when we move forward together: patients, caregivers, staff, and community partners united by a shared commitment to health and well-being.

This past year we continued to strengthen care across the region by investing in people, services, and spaces our community depends on. From welcoming new leaders and providers, to advancing how care is delivered, every step forward reflects collaboration, innovation, and trust.

Moving care forward is about listening, adapting, and improving, in step with the community we serve. Together, we are building on our strong foundation to ensure that compassionate, dependable care is here for generations to come.

Left to Right: Brooke O'Connor, FNP-C; Robert D. Spencer, MD; Michael Greenough; Lucas Shippee, DO

## When One Scan Changed Everything

**Michael Greenough** of Jaffrey knows how to respond to emergencies. As MCH's EMS Coordinator and Emergency Preparedness Specialist, and longtime Jaffrey fireman, he's trained for them. But what he wasn't prepared for was becoming the patient when he volunteered to help Radiology test a new calcium-scoring CT. The scan results stopped everything: his score indicated multiple blockages in his heart. "Dr. Spencer told me, 'You've got to do something about this now.'"

What followed was MCH at its best: a cascade of coordinated care. Robert Spencer, MD, of Monadnock Cardiology Associates, moved quickly, contacting a Concord Hospital specialist to fast-track Michael's cardiac surgery. When complications extended his recovery, MCH's Mobile Integrated Healthcare (MIH) team visited him at home to draw lab work required before every follow-up appointment. "Without MIH," Michael recalls, "I wouldn't have had access to the care I needed at home."

Monadnock Behavioral Health professionals supported Michael's emotional recovery. "I saw Dr. Gunning through this process to make sure my brain was behaving itself," Michael says. Meanwhile, Dr. Shippee and Monadnock Internal Medicine managed his diabetes, carefully monitoring medications and blood sugar levels in coordination with his cardiac recovery. "Every department was there for me: Radiology, Cardiology, Behavioral Health, Primary Care, MIH. Each one played a part."

Today, Michael is in cardiac rehab at MCH, working steadily toward the goal he set for himself: returning to duty on a fire truck. "That's what I'm working toward: getting stronger and better so that I can get back to caring for my community like they have cared for me." Reflecting on his journey, Michael doesn't hesitate when asked what saved him. It wasn't just the scan. It was the people.

**"I have nothing but admiration and awe for our staff. They're a strong and amazing team. This was definitely a case where it takes a village."**

# Lifetime Giving

Through their years of support, these philanthropic leaders have each made generous cumulative gifts totaling over \$100,000.

Carol & Stephen Gehlbach

## Donor Spotlight on Carol and Stephen Gehlbach

**Carol and Stephen Gehlbach** of Peterborough have lived in this region for years, and have seen what Monadnock Community Hospital means to their community. To them, MCH isn't just a place to receive care. It's a source of jobs, a driver of community health, and a commitment that high-quality healthcare will remain close to home.

The Gehlbachs chose to give through a Charitable Gift Annuity, allowing them to receive steady income while also making a meaningful impact. "MCH made the whole process incredibly easy," Stephen says.

"With MCH, it's about the people. They are committed, competent, and caring. Without them we'd be much diminished."

We are grateful for Carol and Stephen's generosity and for their belief that supporting their community's hospital is a priority.

To learn more about Charitable Gift Annuities, contact Laura Gingras at [Laura.Gingras@MCHMail.org](mailto:Laura.Gingras@MCHMail.org) or call 603-924-4666.

# Thank You to Our Parmelee Society

The Parmelee Society recognizes the individuals who choose to include Monadnock Community Hospital in their wills or estate plans. Their legacy gifts ensure access to high-quality healthcare for their neighbors and loved ones for generations to come.

“Our new clinicians bring expertise, compassion, patient-centered care, and a genuine commitment to the people and communities we serve. They strengthen our ability to care for this community, today and into the future.”

— Richard Scheinblum, President & CEO

Scott E. Smith, DO with Christine TenBroeck

## A New Chapter in Care

For **Christine TenBroeck** of Fitzwilliam, finding a primary care provider wasn't just about having a doctor on file. With a newborn son, a four-year-old daughter, and her own health needs to manage, it meant having someone in her corner and peace of mind for herself and her growing family.

"I finally got a primary care doctor after years of not having one," she says. She called Jaffrey Family Medicine and asked them to choose a provider for her. That's when she was matched with Dr. Scott Smith.

"He is so nice. He really cares about my issues and doesn't make me feel rushed," Christine says. From her first appointment while pregnant to routine visits today, Dr. Smith has helped guide her care with warmth, clarity, and trust.

The care goes beyond the exam room. "The staff is amazing with my daughter. They interact with her, and I think it's helping her not be afraid of going to the

doctor." Christine appreciates the thoughtful touches, like the children's books in the waiting room, and the comfort of knowing she can call and be seen quickly when needed.

While managing her own chronic conditions, having a reliable, compassionate provider has been life-changing for Christine. "It's a relief to have a regular doctor again, knowing I can be seen when I need it," she says.

This is what primary care looks like at its best: trusted relationships that support patients and families. Primary care at MCH and across our network is designed to meet people where they are in life, moving care forward with providers who listen, show up, and treat their patients with compassion and respect. For Christine, that has made all the difference.

**"Think of how important your health is for yourself and for the people who count on you. You can't put a price on it."**

Lois Steinmann, Mammography Technologist

## Compassionate Access to Life-Saving Care

At Monadnock Community Hospital, advancing care often means removing barriers, especially when lives are at stake. That's why our Women's Imaging Center proudly participates in the **NH Department of Health and Human Services Breast and Cervical Cancer Program**, a program ensuring eligible women have access to free breast and cervical cancer screenings, regardless of insurance or income.

Through this partnership, women aged 21–64 who are uninsured or underinsured and meet income thresholds can receive vital services at no cost, including clinical breast exams, Pap testing, screening mammograms, and diagnostic follow-up.

It's both a safety net and a promise: no woman in our community should miss a life-saving screening because of what she can or cannot afford.

At MCH's Women's Imaging Center, patients receive care in a private, welcoming space from a compassionate team using advanced imaging technology like 3D mammography, bone densitometry, and ultrasound. This work helps more women receive timely, life-saving care. With every exam, every follow-up, and every piece of reassuring news, we reaffirm our mission to care for every woman with dignity and access.

**To learn more about this program, please call 603-924-1795.**

## Gifts In Kind

Through gifts of products and services between January 1, 2025 and December 31, 2025, the following people and businesses have helped to support our mission:

|                                                                                                                                                                                                                |                                                                                                                                                                                                         |                                                                                                                                                                                                  |                                                                                                                                                               |

Marcia Pettee  
Anne Rainey

## A Warm Welcome, Every Time

For **Susan Shepard** of Lyndeborough, medical visits can come with a lot of anxiety. But at Monadnock Community Hospital, one constant has helped ease her stress: the friendly faces waiting at the door.

Susan says, "Every time I went to MCH, friendly, helpful, and kind volunteers greeted me. My visits were filled with anxiety about what awaited me post-surgery or seeing my doctor about a worrisome health problem. Without fail, the volunteers were a source of much-needed and appreciated distraction from distress and worry. This program is of great value to any patient and further enhances Monadnock's reputation for only the best patient care."

In a place where anxiety often accompanies patients through the front door, MCH volunteer greeters offer something medicine alone cannot: a familiar face, a kind word, and the feeling that you are not alone.

# Thank You to Our Employees, Volunteers, and Community

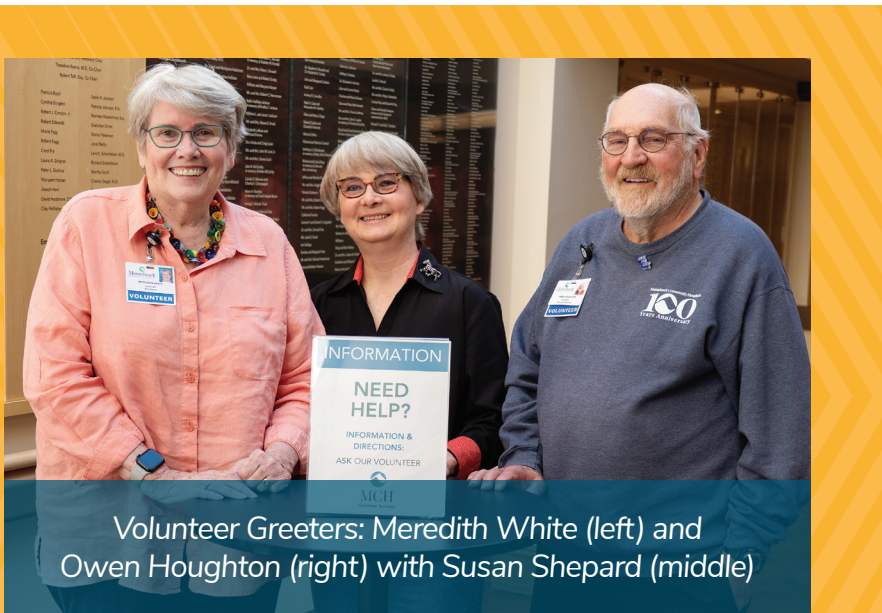

At Monadnock Community Hospital, we are grateful for the people who make our mission possible every day.

**Thank you to our employees** for showing up with heart, skill, and compassion. Whether you care for patients, manage operations, or provide support behind the scenes, your dedication ensures that our neighbors receive the exceptional care they deserve.

**Thank you to our volunteers** for sharing your time, warmth, and energy. Your generosity adds light and comfort to our halls, greeting every person with humanity and kindness.

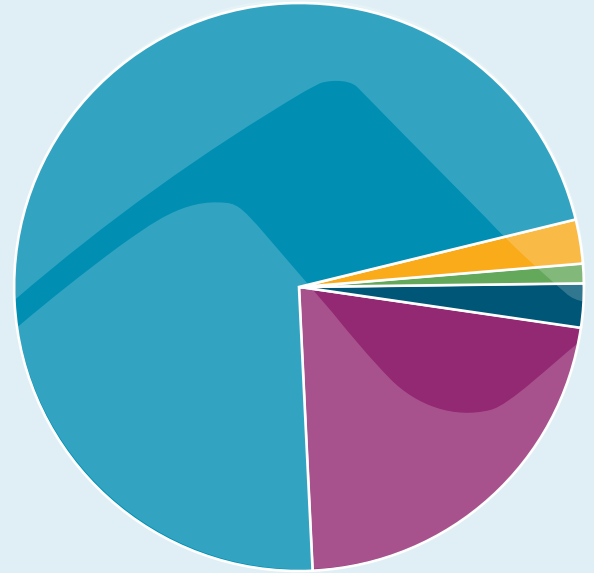

**Thank you to our community** for believing in us. As a nonprofit, critical access hospital, we remain strong and responsive due to your trust and support. Whether you donate, advocate, or choose us for care, you are a vital part of why we're here.

**Together**, we're building something lasting: a healthier region, and a hospital that never stops looking forward.

Volunteer Greeters: Meredith White (left) and Owen Houghton (right) with Susan Shepard (middle)

MCH Provided  
\$27,239,000 of Support  
to Our Community in 2025

Subsidized Health Services (i.e. Chronic Health Programs, Emergency Department, Behavioral Health Services, etc.): **\$19,600,000**

Charity Care (i.e. Financial Assistance Program): **\$681,000**

In-kind Donations (i.e. Donations to Other Organizations, EMT Training, etc.): **\$308,000**

Community Programs (i.e. Mobile Integrated Healthcare, Parent Support Services, etc.): **\$715,000**

Public Programs (i.e. Medicaid and Medicare Shortfall): **\$5,935,000**

Left to Right: Serena C., RN; Laura Akerley; Kate Pellegrino, PT, DPT

## Finding Strength, Close to Home

**Laura Akerley** of Hancock came to Monadnock Community Hospital after abdominal cancer surgery at another facility. She needed rehabilitation and she needed a team she could trust. She found both. “Kate was my lead PT, and she was just wonderful,” Laura says. “The team was motivating, compassionate, and actually fun. It helped me physically and emotionally. Fairly quickly, I was ready to do everything on my own.”

Months later, severe pain brought her back, and this time to the MCH Emergency Department where the response was the same. “They acted quickly and got me through a traumatic experience,” she says. “Dr. Kwitkin sat with me and my husband. He was warm, compassionate, and easy to talk to.” She spent five days in the Medical-Surgical Unit recovering from a blockage, cared for by a team that left a mark. “So many wonderful nurses, like Serena, were all so professional and kind.” Today, Laura comes to MCH Oncology for regular bloodwork. She finds dependable, unhurried, personal care every time.

**“They’ve been wonderful. Not just convenient, but incredibly accommodating. In all my experiences, I’ve felt valued.”**

## Art a la Carte: Healing Through Choice

Art a la Carte lets patients in the Medical-Surgical Unit personalize their rooms with soothing artwork. This simple choice supports healing, reduces stress, and offers comfort. Volunteers, staff, and the Healing Arts Gallery Committee work together to brighten every hospital stay.

Left to Right: Volunteer Coordinator Toni Gildone, and Healing Arts Committee Members Elizabeth Kenney and Caroline Gomez

the day of the Ribbon Cutting

## New Look, Same Compassion

This year, Monadnock Community Hospital moved care forward with major upgrades to the Medical-Surgical Unit.

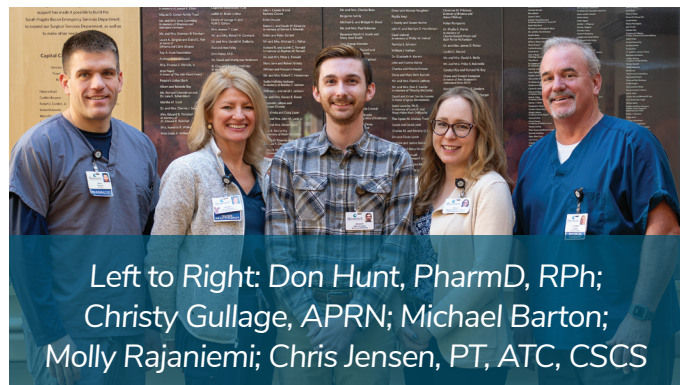

Therapy teams now share a centralized workspace with access to a new therapy gym equipped with stairs and mobility tools to help patients regain independence. A new ADA-compliant shower and renovated tub room help patients get ready to return home. The expanded nurses' station includes improved cardiac monitoring, more workspaces, and a new digital assignment board for better coordination. Nearby, the Unit Coordinator station streamlines support for patients, visitors, and staff. Updated patient rooms and common areas feature calming colors, and the refreshed waiting room and discharge lounge feature new furniture and increased privacy.

While the space has changed, the care remains rooted in compassion, trust, and connection. Together, the improvements modernize the whole department, reflecting our commitment to creating a healing environment that supports patient safety, empowers staff, and ensures high-quality care close to home.

# Employee Contributors

In 2025, a record number of employees participated in the annual Employee Giving Campaign and raised over \$24,000!

Cynthia K. McGuire, FACHE  
 Former MCH President & CEO

## Thank You, Cyndee!

After more than 50 years in healthcare, including 12 years leading MCH, Cyndee retired as our President and CEO in 2026. Cyndee joined MCH in 2014 and led the hospital through more than a decade of growth, expanding services, deepening community trust, and keeping compassion at the center of every decision.

During her tenure, MCH expanded access to specialty services, strengthened primary, emergency, and rehabilitation care, and advanced programs that kept high-quality healthcare close to home. Cyndee also guided the hospital through extraordinary challenges, including a global pandemic, while fostering a culture of collaboration, resilience, and trust. In 2023, she helped lead the celebration of MCH's 100th anniversary, honoring a century of care while preparing for the future.

To honor her service, **The Cynthia K. McGuire Leadership Development Award** has been established to recognize and support one MCH employee each year who shows exceptional leadership potential. Thank you, Cyndee, for your vision, steady leadership, and dedication to the Monadnock Region. Your legacy will continue to inspire all of us.

# Thank You to Our Contributors

The following pages recognize contributors who made generous gifts, pledges, or pledge payments between January 1, 2025 and December 31, 2025.
