We give special thanks to Monadnock Paper Mills, Bennington, New Hampshire, for its generous donation of the Astrolite Silk paper used in this report.

Opportunities for Our Future

Your support and confidence in Monadnock Community Hospital has allowed us to thrive and grow through a challenging time for our state and nation. Our Annual Report to the Community is a tribute to the thousands of people who contribute to the vital role of our Hospital. It's all about you! Contributors, volunteers, physicians, nurses and staff – each of you enable us to carry out our mission every day. Our priority is the health and well-being of our community. Your support brings our mission to life—we couldn't do it without you.

An Environment of Excellence

Because of the tremendous community support for Monadnock Community Hospital's recent building campaign, the Hospital celebrated the opening of the Sarah Hogate Bacon Emergency Services Department in early Winter 2011. This expansion was funded in part by the \$10 million capital campaign completed in 2010. The new space more than doubles the size of the ED, up from 3,500 to 8,000 square feet. With 13,000 visits annually, the ED is one of the busiest departments in the Hospital.

The expanded space provides patients a greater level of privacy with nine rooms and eleven beds. Each room is "universal" — able to serve patients regardless of illness or trauma. Two of the new rooms are reached directly by an ambulance-only entrance. Walk-in patients use a separate entrance, and can be triaged without waiting to register.

The "U" shape of the new ED improves sight lines for nurses to view all patients. There is even a new, separate decontamination area to handle people affected by biohazards or industrial contaminants.

"With the community need growing, we expect an increase to 14,000 or more patients annually," says Dr. Craig Lauer, Emergency Department Medical Director. "We are ready and will be able to offer the very best in professional emergency care."

Surgery Transformed

The opening this spring of MCH's new Surgical Services Department represents the final phase of the Hospital's two-year building and campus expansion program. The addition more than doubles the size of the department with the addition of two new larger operating rooms adjacent to the existing three operating rooms, and endoscopy suite, and a new Central Supply Department. Additionally, the pre-op area will have 10 new private rooms with televisions and six new state-of-the-art recovery room bays.

With over 15 surgeons performing over 3,000 surgeries each year, this new advanced surgical department offers a wide range of surgical procedures, from out-patient surgery to more complex surgical procedures requiring hospitalization. The advanced operating rooms provide the technology needed to perform a wide variety of procedures using the Harmony IQ™ integration system. Joint replacement surgeries are performed in the larger operating theaters using the latest surgical equipment needed to complete these complex procedures.

The Healing and the Arts Committee at Monadnock Community Hospital has a goal of creating an environment of healing through art. Studies have shown that soothing, calming and beautiful pieces of art have a distinctly positive effect on how quickly people heal. The Maternity Unit has a rotating gallery of artists that provides laboring Moms something soothing to look at as they walk the halls. The Wellness Center is home to many creative initiatives. Through art we are forming a stronger connection to our local community as we are fortunate to have many talented artists in the Monadnock Region. At MCH we have the opportunity to provide an outlet for their work, while providing a beautiful environment for patients and visitors alike.

“I believe that The Bond Wellness Center helps extend life; therefore, it supports the Hospital’s mission.

The Bond Wellness Center’s cardiac rehab program put me on the track for keeping up a wellness routine for better health and an active life. I have seen it help so many of my friends.

I’ll keep rowing, cycling, lifting, pushing, pulling and stretching for my own good.

Thanks, Bond Wellness Center and MCH for being there for me.” —*Bob Boyd*

\$9.2 Million in Community Benefits

Pam Delahanty, a.k.a. the Tooth Fairy, with John Stone, Principal at Rindge Memorial School

Monadnock Healthy Teeth to Toes (MHTTT), a public health program at Monadnock Community Hospital, focuses on dental hygiene and care, nutrition, and daily physical activity for children ages kindergarten to third grade.

The MHTTT Healthy Me Afterschool Club was successfully implemented at Antrim Elementary School with 14 very enthusiastic first and third grade students! Over a span of six weeks the children danced and moved to inclusive and fun games; tasted new and colorful food groups; and introduced their parents to creative and fun ways to make daily healthy choices.

Our school-based program has been in 17 schools—14 elementary schools and 3 preschools, teaching over 1,800 children about the important relationship between healthy teeth and healthy bodies. For those families without dental or health insurance, MHTTT is actively assisting with enrollment in the financial grant program at Monadnock Community Hospital and New Hampshire Healthy Kids. Both programs offer significant financial support for uninsured children.

Monadnock Healthy Teeth to Toes has received generous grants from the State of New Hampshire, Northeast Delta Dental Foundation and the New Hampshire Charitable Foundation.

“We have been patients at MCH many times through the years and feel fortunate to have a state-of-the-art Hospital when the need arises. We are both members of the wonderful Bond Wellness Center to maintain a healthy lifestyle and always appreciate the talented, courteous and helpful staff. We will always support MCH in every way we can.

Parmelee Society

Imagine the tremendous difference it would make to our community if everyone could make a bequest to Monadnock Community Hospital. Your will is an opportunity to honor the people and institutions important in your life. You can make specific provisions for your family and friends as well as for your community hospital.

Please let us know if you have made a provision in your will so that we can

honor you today as a member of our Parmelee Society. **A gift of any size qualifies you for membership.** It is not necessary that you give us a copy of your will or even tell us what your plans are. Your good word is all we need. Please consider including Monadnock Community Hospital in your will or estate plan today. For more information, please contact Laura Gingras, CPA at 924-4666, or Sadie Jackson, CFRE at 924-4682.

Financial Statement as of September 30, 2010

Consolidated Statement of Revenues and Expenses (in thousands)

	2010	2009
Billed for services to our patients	111,187	105,891
Other operating revenues	2,439	2,284
Received from other sources	2,071	290
<i>This includes unrestricted gifts from hospital donors and income from investments.</i>		
Total Sources	<u>115,697</u>	<u>108,465</u>
Amounts billed but not received:		
Under government and commercial contractual agreements	41,707	37,542
From patients unable to pay	3,278	2,556
Therefore, we actually received revenue from patient care and other services of	<u>70,712</u>	<u>68,367</u>
Our costs included amounts:		
To pay our employees	37,044	35,343
To pay our suppliers and vendors	26,730	27,618
To fund depreciation and pay interest on debt	<u>5,194</u>	<u>4,805</u>
Resulting in total costs for patient care and other services	<u>68,968</u>	<u>67,766</u>
The excess of amounts received over costs for the year was used to expand services to our community, to improve facilities and to pay back debt	<u>1,744</u>	<u>601</u>

Key Statistics, Actual

	2010	2009
Admissions	1,400	1,437
Births	333	346
Emergency Room Visits	12,973	13,464
Surgical Cases	1,802	1,746
Endoscopies	1,802	1,086
Imaging Exams	30,366	31,258
Lab Tests	206,760	206,873
Physical, Occupational, and Speech Procedures	46,053	46,751
The Bond Wellness Center Members	1,490	1,526
