Appendix D: Annual Income Guidelines

Income limits are adjusted annually to reflect Federal Poverty Guidelines (FPG). FPG updates are made via notification by the NH Health Access Network, and take effect annually on March 1st.

Household income calculated between 0% and 275% of the year's current FPG will be awarded a level 1 (100%) discount. Household income calculated between 276% and 400% of the year's current FPG will be awarded a level 2 (55%) discount.

Effective March 1, 2018:
